Profile

Full-stack Developer with 5+ years of experience building high-performance web and mobile applications with **React**, **Next.js** and **React Native**. I have delivered products for major clients such as **SNCF**, **Barnes International** and the **Moroccan Ministry of Industry and Commerce**, as well as my own SaaS, **Clinoly**. I focus on clean architecture, strong user experience and reliable delivery, using **Docker** and **CI/CD** pipelines to ship to production with confidence.

Technical Skills

- **Front-End:** React.js, Next.js, TypeScript, Tailwind CSS
- **Mobile:** React Native, Expo, Push Notifications
- **Back-End & APIs:** Node.js, Express.js, REST, GraphQL
- **Databases:** PostgreSQL, MongoDB, Supabase, Firebase
- **DevOps:** Docker, Docker Compose, CI/CD (GitHub Actions), Git
- **Browser Extensions:** Plasmo Framework (Chrome)

Experience

Mobile & Web Developer – Webodrope 2023 – Present

- Built cross-platform mobile and web applications with React Native and Next.js for international clients.
- Integrated REST APIs with backend services and containerized development environments with Docker.

Mobile & Web Developer – ViralWave 2021 – 2023

- Developed responsive mobile and web applications using React Native and Next.js.
- Improved UI/UX and application performance across several client products.

Selected Projects

Clinoly – Clinic Management SaaS

Founder & Lead Developer

Web platform that helps clinics manage patients, appointments and medical records from a single dashboard, with role-based access for doctors and staff.

Next.js, TypeScript, Node.js, PostgreSQL, Tailwind CSS, Docker

Ministry of Industry and Commerce – mcinet.gov.ma

Government Portal

Official portal of the Moroccan Ministry of Industry and Commerce: trilingual site (Arabic RTL, French, English) presenting the ministry's sectors, support programs, citizen and business services, and official announcements.

Drupal 10, Custom Theme, Bootstrap, Multilingual & RTL, Docker

OUIGO – Train Booking Platform

SNCF

Low-cost high-speed train service operated by SNCF, offering affordable and fast travel between major cities in France and Spain.
